Dockets Management Branch (HFA-305)
Food and Drug Administration
5630 Fishers Lane
Room 1061
Rockville, MD 20852

Gentlepersons:

We write today to insist that the FDA require the labeling of irradiated foods. These labels must be featured prominently on the packaging. As consumers, we have the right to know what is done to our food, and we demand that the FDA honor that right.

Thank you for your attention,

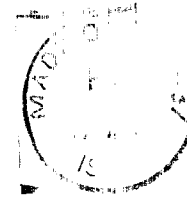

Ralph Drayton
